Okay, so is this accurate?

On a daily basis, there are 343-348 RCMP members on duty in the NCR fulfilling duties within the RCMP's mandate (e.g., protective) as it relates to the protest.

266 RCMP resources have also been identified to support mobilization efforts with Ottawa Police. Of these, 197 have been Sworn-In with 69 outstanding. It is from this roster that the RCMP is drawing the resources to fulfill our commitment of 50 people per day.

No problem,

The first bullet is fair to say...

In terms of the second, we need to treat the resourcing deployment, specific to protective as distinct from the OPS piece, while some of these resources may be interchangeable (ie. TSG resources, if they are no longer required to support protective to the degree they were, might form part of the OPS piece).

That being said, as of today 266 RCMP resources have been identified to support mobilization efforts with OPS, 197 have been Sworn-In with 69 outstanding. Noting that not all of these resources could be deployed at a single time, as this merely represents the roster that we are drawing from to fulfill the commitment of 50/day to OPS.

Does that clarify?

Hi Melissa,

So I need to bring this up a level for talking points.

Is it fair to say, that we have 343-348 RCMP members fulfilling duties within the RCMP's mandate (e.g., protective) as it relates to the protest. We also deploy 50 members daily to OPS in support of front-line functions.

The Commissioner also wants to know how many others we can redirect right now (e.g., how many of those 343-348 are sworn-in and can be deployed immediately?).

Thanks!

K.

As requested:

Here is a snapshot, as of today, shift scheduling varies, however, I can provide that information if required.

- POCC (M-F, 8hrs + OnCall 24/7)
- CIG (7 days, 12 hours +On Call)
- PMPD (2 shifts daily of either 8 or 12, depending on site or CP)
- CIP (4 on/4 off, 12 hour shifts x2)
- TSG (3on/2off, 12 hour shifts *2)
- NCRCC (20 day, 2 night).
- Harrington/Rideau Hall (2x12 hours)
- VIPPD (2x12 hours)
- Traffic (2x12 hours)
- PRU (2x12 hours)

Rideau Hall Site will likely require an increase in resources, when we see a decrease in availability of TSG from O and C Division (TSG was deployed as follows: C Division- Harrington Lake, O Division- PPS and National- Rideau Hall)
OPS Resourcing (2 shifts, 25- 20 +5 roving)
